

It is a great privilege to turn on the radio to K-LOVE and not worry about what my children are hearing. If K-Love were no longer available here it would be a great injustice for those who are looking for a station that plays music that is positive, uplifting, not filled with hate or sex.

I can't imagine that I am the only one in the Reno area that feels this way. There are not a lot of radio stations to choose from in Reno and this is one where I enjoy listening, my kids enjoy listening, and like I stated previously, as a parent I do not have to worry about the content of the music or the individuals who are speaking, unlike many of the other local stations.
